Spelling Strategies & Tips

-  Break the word into syllables
-  Example: re-mem-ber instead of remember

-  Use mnemonic devices
-  Example: "Necessary has one collar and two socks" (1 'c' and 2 's' in necessary)

-  Say the word out loud
-  Pronounce it slowly and listen to the tricky parts

-  Write it down multiple times
-  Repetition helps with long-term retention

-  Use the "Look, Say, Cover, Write, Check" method

👉 Look at the word, say it, cover it, write it from memory, and check

📌 Practice common spelling patterns

👉 Words ending in "-tion", "-able", or with silent letters

📌 Prepare with Spelly!

🎉 Spelly helps kids practice spelling with fun games and real-time feedback!
